

DECEMBER 11

SYLLABUS

DESIGN

DROP-IN

WORKSHOP

Let the Center for Learning and Technology Help You Design an Engaging Syllabus

You can find the Champlain College *Syllabus Guidelines* at <https://www.champlain.edu/faculty-and-staff/academic-affairs/teaching-and-support-resources/policies-and-procedures/syllabus-guidelines>

The CLT team can help you enhance your syllabus to be more than a “first day of class document”. We can help you design a syllabus that reflects the innovation, creativity and professionalism you inspire in students throughout your entire course!

Syllabus Design Drop-In Workshop!

Syllabus design and rhetoric matter. Design a syllabus that is accessible and visually engaging.

Design a syllabus that motivates Gen. Z students by integrating your syllabus with Canvas.

Design a syllabus that better aligns with your teaching philosophy.

Design a syllabus that is an exciting preview of your amazing course!

**CENTER FOR
LEARNING AND
TECHNOLOGY**

MIC 219
9:00 AM – 5:00 PM
