# UNIVERSAL DESIGN FOR LEARNING

## LEARNING COMMUNITY

A professional learning community designed for faculty and staff to ensure that all Champlain students thrive in and out of the classroom as they find their purpose and profession.

Join the learning community OR attend workshops that interest you.

**PROFESSIONAL  
DEVELOPMENT**

**Workshop 1    Characteristics of Students and UDL Principles**

**Workshop 2    Identifying Necessary Skills and Helpful Strategies**

**Workshop 3    The Best Responses to Difficult Social or Behavioral Situations**

**Workshop 4    UDL: Making Materials Accessible to All Learners**

**SKILLS  
& POTENTIAL  
OUTCOMES**

## LEARNING COMMUNITY SESSIONS

The learning community will meet regularly to help individual faculty members develop their knowledge, skills and courses. In addition, the group will envision potential growth or change on our campus.
